EXPERIENCE

Web Designer & Developer

WebFullContact Agency

Oct. 2025 – Oct. 2026 | Remote – Tunisia

- Designed and developed responsive websites, transforming UI/UX concepts into functional digital experiences.
- Created intuitive interfaces and interactive components, focusing on usability and visual consistency.
- Implemented designs and developed front-end features to bring design concepts to life.

UI/UX Designer & Full-Stack Developer Intern

DevSync

Feb. 2025 – May 2025 | Remote – Tunisia

- Managed the entire product development process, from UX research and UI design to front-end and back-end development.
- Created user journeys, wireframes, high-fidelity mockups, and interactive prototypes.
- Developed client-side and server-side features to bring the overall digital experience to life.

Graphic Design Intern

People - Digital Brand Studio

Aug. 2024 – Sep. 2024 | Tunisia

- Created engaging visuals tailored for social media platforms.
- Collaborated with marketing, development, and project management teams.
- Contributed to logo design and maintained visual identity consistency across different platforms.

Graphic Design Intern

DesignLab

Jul. 2024 | Tunisia

- Vectorized geographical maps for video mapping animations.
- Created and adapted graphic assets for immersive animations.
- Contributed to production and on-site installation.

VISION

Passionate about creating meaningful design experiences and bringing them to life through web development, I aim to combine creativity and technology to build intuitive, functional, and engaging digital products.
